Checkpoint 

ANTENNA RANGES

- ✓ Installed at entrances, exits, staff exits and possibly toilet facilities in your store.
- ✓ Transmits low frequency radio waves at the same frequency as the tags.
- ✓ Checkpoint NGL and EVOLVE iRange 360 RF Pulse listen systems are based on transceiver technology and therefore can operate as a single stand alone antenna.
- ✓ The technology is harmless and will not affect pace makers, hearing aids etc.
- ✓ When a tag enters the detection field an audible alarm is heard.
- ✓ The visible and audible alarm lasts for approx 5 seconds before automatically resetting.
- ✓ If a tag is left within the detection field the alarm will sound continuously until removed.
- ✓ All antenna systems require testing each day using a special 'Test tag'.
- ✓ The store manager is ultimately responsible for testing and reporting faults.
- ✓ It is essential that each and every alarm activation is responded to.

CLASSIC RANGE

Offers the recognised benefits of Checkpoint Design, Quality and Detection in affordable design options.

EVOLVE iRANGE

Checkpoints premier range, designed with maximum detection and maximum control with clear KPI driven management tools. Comes complete with full range of data accessories to help retailers to grow profitably.

EVOLVE EXCLUSIVE RANGE

An exclusive collection of designer based solutions. For retailers who store designs require something more Exclusive. All based on evolve technology for the best of the best.

SOFTWARE SOLUTIONS

Checkpoint Systems range of software solutions not only can give valuable insight into customer footfall, but can measure EAS effectiveness, allow for remote servicing, plus a whole lot more. From small to large, from national to international stores, there is a solution to suit you.

STORECOUNT V2

- ✓ Up-to-the-minute data on the number of visitors in each store
- ✓ Data remains within the retailer's business
- ✓ Features include a multi-store Viewer that can be installed on several staff computers (multi-store version only)

EVOLVE-NET

- ✓ EVOLVE-NET is an automated reporting solution from Checkpoint
- ✓ It allows Checkpoint EVOLVE EAS solutions to be measured and managed remotely - regardless of where your customers stores are in the world
- ✓ It is automatic and can be designed around customers reporting requirements

EVOLVE-COUNT DATA CONNECT

- ✓ Data collection service pushes consolidated visitor data file back to customer

EVOLVE-COUNT DATA REPORTING

- ✓ Data collection service
- ✓ Subscription report service for visitor counting

CHECKCOUNT REPORTING SERVICE

- ✓ Powerful analytics tool
- ✓ Ad-hoc custom reporting
- ✓ Ability to integrate customer

CHECKPOINT EAS SOLUTIONS TAGS & LABELS

ECONOMY RANGE:

Offers a standard level of EAS protection as a basic, lower-cost option. Generally hand applied, these items are designed for in-store application on general goods.

Examples

410 Plain
1.57" x 1.57"
40 mm x 40 mm

410 Barcode
1.57" x 1.57"
40 mm x 40 mm

410 PSG
1.57" x 1.57"
40 mm x 40 mm

710 Plain
1.25" x 1.5"
34 mm x 39 mm

710 Barcode
1.25" x 1.5"
34 mm x 39 mm

3515 SP HA Plain DE
1.19" x 1.57"
30 mm x 40 mm

ENHANCED RANGE:

Offers enhanced performance, specially designed for better detection, deactivation and overall protection. Created for high-speed at source application to fit on a variety of items.

Examples

410 EP Thermal Transfer
1.57" x 1.57"
40 mm x 40 mm

710 EP Thermal Transfer
1.25" x 1.5"
34 mm x 39 mm

2815 EP Thermal Transfer
1.94" x 1.05"
49.3 mm x 26.7 mm

2933 EP Thermal Transfer
1.3" diameter
33 mm diameter

3110 EP PSG Thermal Transfer
0.8" x 2.6"
20.32 mm x 66 mm

SPECIALTY RANGE:

Provides enhanced performance plus unique security properties. Designed for hard to protect items, this range of solutions provides the performance of a label with added material strength flexibility.

Examples

iS Petite
1" x 1.30" x 0.44"
25.4 mm x 33 mm x 11.2 mm

iS Surround
1.67" x 0.20" (front peg)
42.41 mm x 5 mm

4010 EP Food Label
1.61" x 1.79"
40.9 mm x 45.4 mm

2815 EP SHOE LABEL
1.940" x 1.051"
49.3 mm x 26.7 mm

2933 EP Clear Tamper Tag
1.3" diameter
33 mm diameter

2410 Micro PST EP
0.9" x 1"
23 mm x 25 mm

3710 Micro EP Clear
0.5" x 2"
15.1 mm x 52 mm

EXCLUSIVE RANGE:

Exclusive products are only available through Checkpoint, and utilize superior innovation and technology. Our customized products also fall into this category, offering best in class technology for special customer needs.

Examples

Tamper Tag Custom Print

Custom Print Labels - Made to Order

iS Pro Tag
1.79" W x 2" H
